Notes:

Remember, HOPE's principal aim is to raise awareness of, and encourage active participation in, waste minimization and the conservation of energy and resources. Therefore, the more events we attend, the more chance we have of fulfilling this aim as well as the possibility / opportunity of increasing our profile, reputation and membership.

- ➔ Remember to thank all sponsors and supporters in (final) media release, e:news bulletin and website – esp. USQ, Officeworks, Hon Kerry Shine MP, Member for Toowoomba North,
