RE: Landcare Week, 3-9 August 2020

Householder's Options to Protect the Environment (HOPE) Inc. invites you to celebrate [Landcare Week](https://landcareaustralia.org.au/landcareweek2020) <<https://landcareaustralia.org.au/landcareweek2020>>. Landcare Week, coordinated by Landcare Australia, is an opportunity for all Australians to 'get connected with the environment in your local community'. An initiative of Landcare Australia, Landcare Week begins on August 3rd and ends August 9th.

Landcare Week is an annual campaign recognising all the groups and volunteers in Australia who work on conservation and sustainable land management in their local area. These groups and volunteers contribute to the restoration and protection of the environment while giving everyone the chance to support their local community and meet like-minded people.

To keep up to date with Landcare Week, follow Landcare Australia on [Facebook](#), [Instagram](#), [Twitter](#), [YouTube](#), and [LinkedIn](#) and use the hashtag #LandcareWeek.

Landcare Week is also an opportunity to connect with groups like HOPE Inc. Together, we can all help restore and protect the environment in our suburbs. To learn more about local environmental activities and volunteering opportunities, check out HOPE Inc.'s website [here](http://www.hopeaustralia.org.au) <<http://www.hopeaustralia.org.au>>.
