HOPE appeals for gardening tools and equipment

An appeal for unwanted gardening tools and related equipment is being organised by Householders' Options to Protect the Environment (HOPE).

Mr Frank Ondrus, President of HOPE said “we has offered to help a regional welfare agency collect sufficient garden and lawn-care tools and equipment for up to 10 low-cost accommodation houses which they manage.”

“Common gardening tools such as spades and digging forks; and hand tools such as weeding folks would be welcome,” said Mr Ondrus.

Donations of the above items can be left at 22 Vacy Street, Toowoomba; or contact the HOPE office on 4639 2135 to arrange collection from your premises.
