FOR IMMEDIATE RELEASE

Media Release, 7 November 2016

Appeal for plants to landscape miniature railway precinct at Highfields Pioneer Village

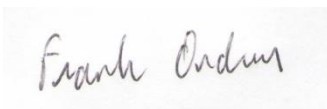

The Highfields Pioneer Village Museum and Park Inc. is seeking the community's support through the donation of plants to landscape their soon-to-be-opened miniature railway precinct.

Plants sought include bromeliads, birds-nest ferns, native outdoor ferns, agapanthus, callistemon, cannas, clivia, gazanias, potted geraniums, lamb's ears, lavenders, daisies, delphiniums, hydrangeas, catmint and lady's mantle. In fact, any old hardy plants you have in your garden and wish to part with or provide cuttings will be gratefully accepted and appreciated.

The pioneer village is a community based non-profit organization established in April 2000 to support, maintain and give voluntary assistance to a functioning pioneer village at Highfields, on the Eastern Darling Downs.

Mr Frank Ondrus, President of Householders' Options to Protect the Environment (HOPE) and a long-time supporter of the village encourages the general public to see what plants and/or cuttings they can donate to this worthwhile appeal.

So, if you have something donate, please contact the Highfields Pioneer Village by phoning (07) 4696 6309 or email highfieldspioneervillage@hotmail.com or simply drop off the goods at the village located at 73 Wirraglen Rd, Highfields.

Frank Ondrus, President – HOPE Inc., ph 07 4639 2135
