LITTER SYMPOSIUM 2019

For 50 years, Keep Australia Beautiful (Queensland) has played an integral role in litter prevention and waste management education; our iconic programs, such as Tidy Towns Clean Beaches bring communities together to enhance and protect their natural environment, build community spirit and implement sustainable practices and programs.

Why should you attend?

Council members passed a motion at the Local Government Association of Queensland's annual conference last year calling on the Queensland Government to take action on litter.

This is your chance to help shape the future, learn about the resources and frameworks you can draw on for help, and find some outstanding case studies that demonstrate how to put the theory into practice.

Limited Tickets : Members: \$90.00 or Non-Members: \$120.00
(includes refreshments and lunch)

RSVP by 31 July 2019 via email: symposium@litter.org.au
online: www.keepqueenslandbeautiful.org.au/symposium
or telephone: (07) 3040 2999

When you RSVP, you will be issued with a tax invoice

Q&A with an expert panel of litter champions

Roundtable 'think tank' discussions that will inspire and motivate stakeholders to collaborate for change.
