Think Globally. Act Locally!

MEDIA RELEASE

Thursday, 23 November 2023

Learn new skills, build new connections ... volunteer today!

Householders' Options to Protect the Environment (HOPE) is looking for active volunteers – both local and remote (i.e. online) – to help us maintain our high levels of activity. In return, volunteering can help you learn new skills, make new connections, and gain a deeper understanding of current environmental issues and works.

We are looking for volunteers to help with:

- administrative tasks
- research
- article writing
- media and marketing activities.

We are also seeking expert comments from people with academic or industry experience in science or environmental issues to assist in critiquing government and industry reports.

On-ground helpers are also required to assist – on ad hoc basis- with staffing information displays, and helping out at events based in Toowoomba.

Please contact the office on 07 4639 2135 or email office@hopeaustralia.org.au to offer your assistance.

We look forward to hearing from you soon!

Frank Ondrus, President – HOPE Inc., ph 07 4639 2135
