## MEDIA RELEASE

28/09/2024

### Empower Your School with HOPE's Sustainable Living Resources

Is your school looking for practical ways to engage students in environmental sustainability?

**HOPE (Householders' Options to Protect the Environment) Inc.** offers valuable resources and information to help schools across Australia foster a culture of sustainable living. HOPE provides access to a wide range of practical resources through our website, from helpful hints to informative newsletters designed to empower schools and communities to adopt eco-friendly practices. Our materials are tailored to help educators teach students about **environmental conservation** and how to adopt **sustainable habits**.

#### Extensive Resource Library:

<b><u>eNews Bulletins</u></b>	Downloadable monthly newsletters filled with the latest news and sustainability tips.
<b><u>Helpful Hints</u></b>	Practical advice on a broad range of topics related to sustainable living.
<b><u>Podcasts &amp; YouTube Videos</u></b>	Engaging audio and visual content on environmental issues, perfect for classroom use.
<b><u>envNGOs networks</u></b>	A directory of conservation organisations operating across Australia.
<b><u>Sundry – HOPE &amp; Media Releases</u></b>	A variety of HOPE's own publications and media activities to promote sustainable living.

#### Additional Support:

- Provides **links to expert contacts** on various environmental issues.
- Offers access to **crucial websites** with practical information on sustainable living.

#### Join HOPE's Growing Community!

Membership is free and open to schools, individuals, and organisations. By joining HOPE, your school can access these valuable resources and become part of a national network dedicated to sustainability. We look forward to welcoming you to our community!
