Re: Community support needed for HOPE's annual "Used Postage Stamp Drive"

Householders' Options to Protect the Environment (HOPE) Inc. is launching its annual appeal to residents and businesses to contribute to its Used Postage Stamp collection initiative.

The organization is calling on the community to save and donate used postage stamps from their incoming mail, which will then be provided to local community groups. These groups resell the stamps to raise essential funds for various local and overseas mission work.

"This is a simple yet effective way for everyone to contribute to important community and charitable causes," says Mr. Frank Ondrus, Office Manager of HOPE Inc. "In addition to used stamps, we also welcome donations of unwanted stamp album collections and stamp collections, further maximizing the fundraising potential."

How to Donate

Donors can contribute to the Used Postage Stamp drive through the following options:

- **Post:** Send your used stamp collection to the HOPE Inc. office at PO Box 6118 - Clifford Gardens, Toowoomba, QLD 4350.
- **Drop-off:** Deliver your donations in person to the HOPE Inc. office at 22 Vacy St, Toowoomba, QLD.
